I - Infrastructure

A Leader who inclusively improves Hamilton's neighbourhoods, parks, playgrounds, roads, bridges, community centres, and waste water treatment facilities.

1. What three things are you most concerned about and would like to see changed as they relate to Hamilton's current infrastructure needs? *

1. Fix the roads!
2. Rainwater runoff that chokes our sewer system.
3. Redesign the unsafe roads to safe roads for pedestrians, children, bikers, and drivers.

2. As a councillor, what three actions would you propose to improve Hamilton's infrastructure? *

1. I would like to set up an emergency road crew that would be sent out on a call to fix the pothole of the day! Not just one, but every call.
2. Replace the one sewer system with the 2 system. The rainwater will not need to be treated and it would not overtax the system and save money by only having to treat wastewater. This would take a long time but would be beneficial for our future environment. It would also cut down on flooding.
3. Have a holistic approach to the redesign of roads to make them safe for all. Transport trucks would also be involved with dedicated routes.

E - Economy

A leader who strengthens the overall financial health and prosperity of Hamilton and all its diverse residents, through better and more secure jobs, a living wage, housing availability and affordability, and access to public services.

1. What three things are you most concerned about and would like to see changed as they relate to Hamilton's current economy? *

1. Have fair rent for small business owners and other rentals.
2. Affordable housing for all.
3. Increase access to public services for low-income persons.

2. As a councillor, what three actions would you propose to improve Hamilton's economy? *

1. Make sure landlords do not raise the rent more than the Ontario Government guidelines. 2. Strength of the condo development to include more affordable housing. Allow single-family homes to be divided into duplexes or more.
3. Increase the awareness of the services offered to the low-income. Did you know that there is a dental bus for people who don't have or can't afford a dentist?

L - Leadership

A leader who treats all residents with respect and dignity, pushes for transparency and good governance, inspires others through a bold vision, and takes innovative, equitable and evidence-based decisions to better serve all Hamiltonians.

1. What three things are you most concerned about and would like to see changed as they relate to Hamilton's current leadership at Council? *

1. Transparency.
2. Accountability.
3. Innovation.

2. As a councillor, what three actions would you propose to improve the city' leadership? *

1. Inform the voters what issues are taking place in the Ward by visiting citizen based organizations, newsletter, article in the paper and social media.
2. If a decision is not the correct one, revisit the issue with evidence-based facts, and amend the problem and inform the voters what and why it happened.
3. Look to the people that with "out-side the box" thinking to find an improve, innovated why of looking at a problem and fixing it only once.

E - Environment

A leader who champions actions to address climate change to ensure a healthy, safe, and sustainable environment for all current and future Hamiltonians.

1. What three things are you most concerned about and would like to see changed as they relate to improving Hamilton's current environment? *

1. Water quality for drinking and recreational.
2. Reduce air pollution
3. Implement Green technologies.

2. As a councillor, what three actions would you propose to improve Hamilton's environment? *

1. Dredge Chedoke Creek and Coote's Paradise. The number one issue that has to happen this year or large fines will be issued to the City. This should have started yesterday! The delay is inexcusable.
2. Have more inspections of city industries to monitor the output of pollutants.
3. Have architects implement Green buildings and materials for future builds.

C - Community

A leader who fights for the needs of a diverse, equitable, and inclusive population and who improves community engagement so the voices of all Hamiltonians are heard.

1. What three things are you most concerned about and would like to see changed as they relate to supporting the needs of all communities in Hamilton? *

1. Diversity
2. Equality
3. Respect for all.

2. As a councillor, what three actions would you propose to support Hamilton's communities? *

1. Visit all the meetings of community groups, hear what they need, ask what they want, and then take that info back to the council, staff and other experts to find solutions that would be good for all.
2. With words, actions and respect, show the community that I will be there for them. If they trusted me with their vote. I will fight for their Rights!
3. Respect for all is a two-way street. We need to convert the mindset that all of us are in this world together. We all need a helping hand someday. Make that someday today for someone!

T - Transportation

A leader who supports safe, effective movement throughout the city for all Hamiltonians by ensuring access to equitable and affordable public transit, safe roads, sidewalks, bike lanes, and trails.

1. What three things are you most concerned about and would like to see changed as they relate to Hamilton's current transportation needs? *

1. Increase bus lines to all of Hamilton.
2. Fix the Red Hill Valley Parkway.
3. Make sure that all roads, walkways, and bike lanes are safe for all/

2. As a councillor, what three actions would you propose to improve Hamilton's transportation systems? *

1. Have HSR extend their lines to the rural residents. Convert more buses to Green fuels. Keep the fares low to increase ridership.

2. If the parkway needs resurfacing, do it. People have lost their lives. Maintain inspections and testing. Inform the voters to ensure the parkway is safe.

3. Implement safe roads with more separations, safety features, signs and paint and flashing light crosswalks.
