I - Infrastructure

A Leader who inclusively improves Hamilton's neighbourhoods, parks, playgrounds, roads, bridges, community centres, and waste water treatment facilities.

1. What three things are you most concerned about and would like to see changed as they relate to Hamilton's current infrastructure needs? *

Urban Sprawl, Car damaging potholes , wasteful on jobs getting re-done

2. As a councillor, what three actions would you propose to improve Hamilton's infrastructure? *

Builder incentives to keep building close to the core. USe record building permit money to reinvest into the core. more talk needed when spend \$\$ on infrastructure. are we getting our moneys worth

E - Economy

A leader who strengthens the overall financial health and prosperity of Hamilton and all its diverse residents, through better and more secure jobs, a living wage, housing availability and affordability, and access to public services.

1. What three things are you most concerned about and would like to see changed as they relate to Hamilton's current economy? *

Housing availability, Access to to Mental health facilities. Free public transit to help boost its usage and get people to our business owners in the city

2. As a councillor, what three actions would you propose to improve Hamilton’s economy? *

look into undeveloped city land for geared to income housing. Hire more mental health specialists to combat the growing amount of mental health issues as well as addictions in the city

L - Leadership

A leader who treats all residents with respect and dignity, pushes for transparency and good governance, inspires others through a bold vision, and takes innovative, equitable and evidence-based decisions to better serve all Hamiltonians.

1. What three things are you most concerned about and would like to see changed as they relate to Hamilton’s current leadership at Council? *

They all need to go. an elected council paid by tax payers should not be able to operate under secrecy and false promises. The Sewer gate fiasco should say it all and hopefully Hamilton voters will hold them accountable

2. As a councillor, what three actions would you propose to improve the city’ leadership? *

new bylaws to avoid a situation where something as big as chedoke creek could be held from residents. These are tough times coming off of a pandemic and i have no issue with a new council 4 yr wage freeze. Councillors should be held accountable for their actions of deceit, job loss for holding secrets that have damaging effects on the cith

E - Environment

A leader who champions actions to address climate change to ensure a healthy, safe, and sustainable environment for all current and future Hamiltonians.

1. What three things are you most concerned about and would like to see changed as they relate to improving Hamilton’s current environment? *

increased urban sprawl, Gas emissions , too many building projects at once

2. As a councillor, what three actions would you propose to improve Hamilton’s environment? *

Clean burning and electric transit, Tax rebates for green vehicle ownership, builder incentives for greenspace inclusion on new builds

C - Community

A leader who fights for the needs of a diverse, equitable, and inclusive population and who improves community engagement so the voices of all Hamiltonians are heard.

1. What three things are you most concerned about and would like to see changed as they relate to supporting the needs of all communities in Hamilton? *

Transit, Addiction/mental health. Policing and Paramedics

2. As a councillor, what three actions would you propose to support Hamilton’s communities? *

Free Frequent and Clean Transit system. Safe injection sites are a good start but we need to start coming with ways to get ppl in rehab. Increase the presence of programs like COAST. we need more mental health/social workers on the ground level. Police and paramedics are getting bombarded with overdoes calls taking away them away from incidents that also need attention

T - Transportation

A leader who supports safe, effective movement throughout the city for all Hamiltonians by ensuring access to equitable and affordable public transit, safe roads, sidewalks, bike lanes, and trails.

1. What three things are you most concerned about and would like to see changed as they relate to Hamilton’s current transportation needs? *

cost, frequency and mapping

2. As a councillor, what three actions would you propose to improve Hamilton's transportation systems? *

.....
Extension of some current route, add new routes and work towards and free public transit system
